

Fun trips for Mike and Julie included, left to right, top to bottom, Edenton (NC), Saluda (NC), the Blue Ridge Parkway, Monterey (CA), and San Francisco. (Much of our year was spent at work or at home, mind you. It's just more fun to share travel pics.)

Adventures in fire buffing this year included completing a centennial history book for the Raleigh Fire Department, work with the Raleigh Fire Museum, and ongoing incident and event photography, including taking photos for the National Fallen Firefighters Memorial Weekend in Emmitsburg, MD.

DON'T FORGET THE COOKIES

We went to Minneapolis in August, to celebrate Mike's Aunt Elaine's ninetieth birthday and enjoyed a Legeros family mini-reunion. Julie also saw her niece Jenny, who lives in Hopkins and not far from Mike's old house in Minnetonka!

Mike also logged several hundred miles of road trips, near and far.
