

(Captain Jack)

LA with Aleca

(and Falafel!)

Lots of family fun!

Saw my beloved Aunt Noni at her 90th birthday in January (below). We gathered again in August and celebrated her life.

Sanibel, FL

Plus Chris, who was behind the camera, here!

Julie went home to Illinois/Iowa a few times, to see her Mom and Dad and Steph and Jim and "the kids."

Where will they land next...?

Little Cora (now two and a half!) was home sick with her mom, Ashley.

Mike started his Pennington Road Trips this year, with long-overdue visits to Mom's side of the family in DC, Atlanta, and Thousand Oaks (twice!).

2018

Took selfies...

Ate barbecue...

Rode the new rental scooters

We also stayed with Mike's cool cousins in Utah.

Close-crop for you, Amy!

Other Stuff

Scooters are dumb.

Flew the drone...

Travelled to Yellowstone...

TWO hours of creeping forward...

Jammed with some Bison...

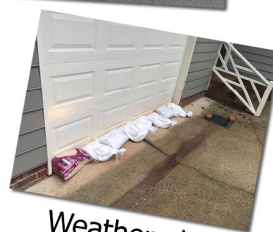

And pictures of Julie...

Entertained Gracie...

Even bought a chain saw and (small) generator! Which we didn't need...

Weathered a hurricane...
