Supporting documentation includes the most recent quarterly report that outlines metric actuals that DDI has met for the current year as identified in their scope of services as well as the comprehensive State of Downtown Durham Report 2018. The total amount of the contract is \$3,108,240.43 to be applied as follows:

- Contingency for excess medical fees* - \$25,000 budgeted
- Contingency for excess population* - \$48,289.50

*Explanation of contingency amounts:

- Excess medical fees: CCS will have full financial responsibility for the first \$400,000 related to the cost of off-site care. If costs exceed \$400,000, Durham County will be responsible for 100 percent the cost of care not to exceed \$150,000. **Any amount for excess medical fees in excess of \$25,000 will be subject to a budget amendment approved by the Board of County Commissioner not to exceed an additional \$125,000.** In the event that medical fees do not reach the \$400,000 amount, 100 percent of the savings will be returned to the County. CCS will purchase a reinsurance policy to help mitigate the cost of off-site medical care.
- Excess population: Medical care for 460 inmates is included in the base charge. For any month that the Average Daily Population is greater than 460, the county will pay CCS \$1.89 per day per additional inmate. Approval of Contract with Reach Out and Read Carolinas

Agenda Text: The Board is requested to approve the attached Fiscal Year (FY) 18-19 contract with Reach Out and Read and authorize the County Manager to execute it.

In the Fall of 2017, County representatives began exploring a possible expansion of a

small pilot project between Duke-affiliated primary care clinics and Reach Out and Read Carolinas (RORC), a regional affiliate of the national Reach Out and Read organization. RORC had begun training pediatricians to do some light literacy counseling with parents and children during well-child visits and to distribute age and culturally appropriate books to children at those visits. The goal was to see if County support could help expand this arrangement to cover all well-child visits for all children age 0-5. With \$25,000 in support approved for the second half of FY17-18, RORC began ramping up their work at the four main Duke primary care clinics (Roxboro Rd., Brier Creek, Southpoint, and Lincoln Community Health Center). The intent at that time and now, if the work was on track, was to double County support to allow this program to continue through FY18-19.

Training and book distribution ramped up sharply in the second half of FY17-18 and are approaching the goals set for that time period. The targets for book distribution, provider training, parent surveying and program fidelity with the national Reach Out and Read model are all included in the attached scope. Quarterly program and financial reporting will be required for the release of quarterly payments.

Alignment With Strategic Plan: Strong early literacy acts in support of all the goals of the Durham County Strategic Plan.

Resource Persons: Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board approve the attached FY18-19 contract with Reach Out and Read and authorize the County Manager to execute it.

Approval of Contract With Nehemiah Christian Center for Day Services

Agenda Text:

The Board is requested to approve the attached contract with Nehemiah Christian Center for day services and authorize the County Manager to execute it.

When the Durham County Main Library closed in January of 2017, the County Commissioners realized that a major resource for the homeless was going off-line. After investigating a number of options, the County opted with Nehemiah Christian Center at 514 N. Mangum Street (just 1.5 blocks north of the downtown loop) to provide a safe, air-conditioned space with clean bathrooms and public access computers. The center is open in the church's community room from 9:00 a.m. - 5:00 p.m. Monday through Friday. The Library's Digital Access Center hosted in the

CJRC Community Room is open many of the remaining weekend hours. In the nearly 1.5 years since opening, the center has also provided much information on other available services as well as actual referrals to those services.

Based on ongoing data collection (see attached weekly and survey summary), the majority of visitors to the center do report being homeless. Bathrooms and the ability to use computers to search for jobs and housing assistance are noted as the primary draws of the facility.

The annual contract amount of \$72,000 will cover twelve monthly payments of \$6,000, which cover the required day center staffing, cleaning, and utilities (internet and water and electricity). The county is also paying separately for security.

Alignment With Strategic Plan: Providing safe spaces, self-help resources and good information and referral services supports Goal 1: Community Empowerment and Enrichment and Goal 2: Health and Well-being for all of the Durham County Strategic Plan.

Resource Persons: Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board approve the attached contract with Nehemiah Christian Center for day services and authorize the County Manager to execute it.

Approval of Contract with Urban Ministries of Durham

Agenda Text:

The Board is requested to approve the attached contract with Urban Ministries of Durham (UMD) and authorize the County Manager to execute it.

Durham County has contracted with UMD for a broad spectrum of emergency shelter, rapid rehousing, case management and other, related homeless services for many years. The County still owns the building that houses the shelter (St. Phillips Church owns the portion of UMD that houses the café and other functions) and remains responsible for systems maintenance in the shelter building (including the installation of a new sprinkler system several years ago).

UMD welcomes and assists over 6,000 individuals a year who come seeking food, shelter, clothing and supportive services through three main programs:

- The Community Shelter
<<http://www.umdurham.org/what-we-do/shelter.html>> for men, women, and

families who need a safe emergency place to sleep. UMD offers case management to all shelter clients through our Journey Programs.

- The Community Café <<http://www.umdurham.org/what-we-do/cafe.html>> serves three meals a day, seven days a week, 365 days a year to shelter guests and anyone who is hungry.
- The Food Pantry and Clothing Closet <<http://www.umdurham.org/what-we-do/food-pantry.html>> distribute groceries and clothing to very poor and homeless neighbors.

The County has made significant new investments in security at UMD over the past several years. Additional funds were requested this year for even more security as well, funds which are not included in the recommended budget. A 5 percent increase for general shelter support (\$10,733) was also requested and included by the County Manager in the recommended budget. The new annual contract total is \$321,863.

Alignment With Strategic Plan: A strong continuum of homeless prevention services supports Goal 1 Community Empowerment and Enrichment, and Goal 2 Health And Well-being for all of the Durham County Strategic Plan.

Resource Persons: Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board approve the attached contract with Urban Ministries of Durham and authorize the County Manager to execute it.

Alignment With Strategic Plan: This item aligns with Goal 5: Accountable, Efficient and Visionary Government.

Resource Persons: Wendy Jacobs, Chair and Terri Lea Hugie, Clerk to the Board

County Manager's Recommendation: The County Manager recommends that the Board appoint Commissioner Ellen Reckhow as the voting delegate and Commissioner Heidi Carter as the alternate for the NACo Conference to be held July 12-16, 2018, in Davidson County.

7. Public Hearings

18-0872 **Approval of Resolutions for Installment Financing Agreement and Certain Related Documents Pursuant to General Statute (G.S.) 160A-20, Evidencing a Public Hearing and Designating the Chief Financial Officer to Declare Official Intent on Behalf of the County to Reimburse Certain Expenditures Under U.S. Department of Treasury Regulations**

Agenda Text: The Board is requested to adopt the attached resolutions. The first resolution makes certain determinations concerning a proposed installment financing pursuant to G.S. 160A-20. The proposed installment financing would be in an amount not to exceed \$60,000,000 and would be used/issued for (a) refinancing a portion of the County's obligations pursuant to an Installment Financing Contract dated March 30, 2017 (e.g., the Judicial Building Renovations Project in the amount of \$43.5M) with PNC Bank, National Association and (b) financing for the Detention Center POD, County's share of the Emergency Communications Center in the new Police Headquarters, Emergency Radio Communication Equipment, Detention Center Elevators, Renovation of the 7th Floor of the Administration Building II and Firefighting Vehicles (3) (collectively, the "Project"). The County will secure the

repayment of the proposed financing by granting a security interest in a portion of the Project and certain related property.

The Board of County Commissioner is also requested to hold a public hearing on the proposed installment financing pursuant to G.S. 160A-20(g).

Also, please note that the funding source for the debt service for the financing of the firefighting vehicles will be the Durham County Fire and Rescue (DCFR) Service Tax Fund.

The second resolution is designating the Chief Financial Officer (CFO) of the County to declare official intent on behalf of the County to reimburse certain expenditures under the United States Department of Treasury Regulations. The normal process for projects being funded with debt is that expenditures begin before the debt issuance occurs. As such, reimbursement resolutions/forms need to be prepared before the expenditures begin on the funded projects that includes the funding source(s) of the projects and the intent for the County to reimburse what has been spent to date at the time of the issuance. If the intent to reimburse is not completed prior to spending occurring, the County cannot reimburse ourselves when the debt is issued to fund the projects. Please note that the County's Financial Advisor (FA) recommended that the County designate this task to the CFO. Per the FA, other large entities have designated this task to the CFO. As a result, spending can occur more timely because the CFO can prepare the reimbursement resolution/form and include it in the Finance project file and does not require waiting for Board approval of the intent.

Alignment With Strategic Plan: This item aligns with Goal 5: Accountable, Efficient and Visionary Government.

Resource Persons: Susan Tezai, Chief Financial Officer and Jessica Brown-Linton, Deputy Chief Financial Officer

County Manager's Recommendation: The County Manager recommends that the Board adopt the resolutions and hold the public hearing.
