**Help Wanted!**

This document is part of a project to research and record the history of rescue squads and EMS providers in Wake County.

You can help in any number of ways, including:

- Read this document and visit the project web site, [www.legeros.com/history/ems](http://www.legeros.com/history/ems)
  - What's good about what we're doing?
  - What could be improved?
  - What haven't we thought of?
- Proofread this document as casually or extensively as desired:
  - Misspelled names?
  - Wrong makes or models of vehicles?
  - General timeframes that seem off?
  - Etc.
- Supplement this document with things that you remember, or stories you've heard.
  - Jot your thoughts in an e-mail.
  - Send a long, detailed e-mail.
  - Write things down on paper and send via postal mail.
  - Talk to the project organizers in person, at your convenience.
  - Etc.
- Share any scrapbooks, newspaper clippings, old photos, or old documents that you have, or can find.
  - Want some blasts from the past, to help you remember?
  - Visit <https://www.facebook.com/WakeEMSHistory>
- Suggest particular people that we can contact, for more information.

Contact Mike Legeros or Jeff Hammerstein at any time. Thank you in advance!
