1917	ALF Type 17-6	ladder, tiller	75'	T1	R		1688 (tractor) 1695 (trailer)	Spring loaded wooden tiller aerial. Ordered March 1917, CN, 20MAR17.	
1917	White / Charlotte Wagon & Auto Works ²	chemical hose car	35 chem					Delivered January 1917.	

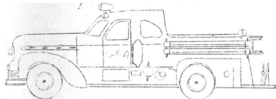

¹ This pumper was likely the 1000 GPM pumper originally loaned by ALF, after the 1914 ALF was wrecked in 1917 and sent to the factory for repairs. It was delivered on March 7, 1917, from that day's Charlotte News. It was lettered for "Commission Government, MFD," and interpreted as Memphis FD. But the city made a deal with the company and purchased the \$10,000 loaner truck on a trade with the damaged truck, which was worth \$6,500.

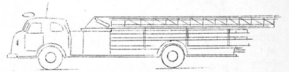

² Kept at Dilworth station. Carried 1000 ft of hose, two ladders, two small chemical extinguishers, one 35-gal chemical tank. Ordered in September 1916, CN, 20SEP16, Delivered in January 1917, CO 20JAN17.
