TRAINING

Our firemen are required to obtain 20 hours of company training per month. This training improves skills while also helping the department obtain a better rating which will lower fire insurance premiums.

The following is a list of training that our firefighters participate in:

- State Firefighter Certification*
- Hazardous Materials*
- Driver Operator*
- Incident Command System*
- Fire Inspections*
- Emergency Medical Technician*
- Vehicle Extrication*
- Confined Space Rescue*
- High Angle Rescue*
- Water Rescue*
