Notes

- Names appear on a per-record basis. For example, **E. H. Baker** is listed three times as his name appears in sources from 1900, 1904, and 1911.
- Race information is also included as the fire companies were segregated. The abbreviation "c" indicates a colored member or colored fire company.
- Data sources consist primarily of newspaper reports (before 1884) and annual reports (1884 and after).
- Version 2.0 adds many more names, including Fire Chiefs. Pending are more Asst. Chiefs, and other names discovered during data checking.
